

To Our Valued Customers,

We are committed to maintaining our business operations and taking extra safety precautions for all our employees and business partners.

On Friday, March 20, 2020, Governor J.B. Pritzker announced a "Stay at Home" order for the state of Illinois. This order went into effect at 5:00 pm Saturday, March 21, 2020 and lasts until April 7, 2020.

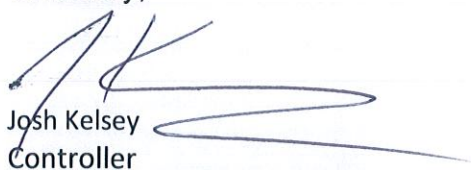

As an essential business (outlined by the state of Illinois under the Section 12T exemption of "manufacture, distribution, and supply chain for critical products and industries", specifically aluminum products), Alcast Company and our subsidiary, Aluminum Castings Company LLC will remain **OPEN** with no impact to our daily operations. Our vendors have also made commitments to continue their supply of raw materials and other value-added services.

Alcast Company and Aluminum Castings Company are grateful for your business. We are committed to fulfilling your orders throughout the duration of this pandemic. We will continue to monitor this situation closely and will provide additional updates as appropriate.

Please stay safe and support those truly in need during this time. We are confident that we will come out of this stronger if we stick together.

We appreciate your trust as a valued supply chain partner.

Sincerely,

Josh Kelsey
Controller
